“I have observed attack after attack from numerous sources upon military personnel. I joined MOAA in 2012; due to your faithful fight on my behalf, I became a MOAA LIFE Member in early 2014. It became absolutely clear to me, and I suspect many, many others who care to educate themselves, that MOAA is the only organization that promptly, directly, and clearly stood up for military personnel. “

Maj. Timothy Callahan, USMC (Ret)
